She stood at the window and watched
As he walked away
It was so good at the start
Why did it end up this way

She had denied
All that she felt inside
Now that he's gone
Wondered what the fuck went wrong

And as the rain hit his head
He wondered what he'd done
She'd been so good to him
Since they had begun

He felt so bad
Now that he lost what he had
And now that he's gone
He remembers all the times that they shared

Two broken hearts
Why did they fall apart
What went wrong
