

## Something With Numbers "Take My Life"

Visit "[Take My Life](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Traffic lights and traffic signs  
Hurt my eyes, the stereo's down  
I jerk a tear out of my face  
Eyes are shut, my foot's down

It's midnight, I'm on my way home  
This is the last time I'm on this road

Curtains drawn, verdict's in  
Hope is gone for everything  
Curtains drawn, verdict's in  
Wondering what could've been

In my head I say goodbye  
To all my friends and to my town  
Let go of the wheel and close my eyes  
I wonder what will happen now

I'm sorry, I'm sorry, mother  
For leaving, for leaving you alone

Curtains drawn, verdict's in  
Hope is gone for everything  
Curtains drawn, verdict's in  
Wondering what could've been

Curtains drawn, verdict's in  
Hope is gone for everything  
Curtains drawn, verdict's in  
Wondering what could've been

Way too scared to go through  
I can't explain myself  
Think the same thing every night  
On the way home

It's all I ever needed  
I don't wanna take my life tonight  
It's all I ever needed  
I just wanna see if there's a light

It's all I ever needed

I don't wanna take my life tonight  
It's all I ever needed

Curtains drawn, verdict's in  
Hope is gone for everything  
Curtains drawn, verdict's in  
Wondering what could've been

Curtains drawn, verdict's in  
Curtains drawn, verdict's in  
Curtains drawn, verdict's in
