

## Something With Numbers "Where I Used To Breathe"

Free falling  
My feet have been swept  
Right from beneath me  
Knees crumble  
I lay face down on the street

Hear voices  
And sounds that seem  
To echo near my face  
Vision is  
Slowly being replaced

Did I feel  
What I thought  
It seemed so impossible  
Am I in heaven or in hell

Move slowly  
Sit myself half up  
On a bright red rock near by  
Fire burning  
All around me where am I

Sweat pouring  
Down my brow and turns  
To steam before it drops  
Burning boundaries  
As far as I can see

Did I feel  
What I thought  
It seemed so impossible  
Am I in heaven or in hell

I'm dead and finally  
I'm in heaven right where I should be  
I'm dead and finally  
I'm in heaven right where I should be

I'm dead and finally  
I'm in heaven right where I should be  
I'm dead and finally

I'm in heaven right where I should be

I'm dead and finally

I'm in heaven right where I should be

I'm dead and finally

I'm in heaven right where I should be

I'm dead and finally

I'm in heaven right where I should be

I'm dead and finally

I'm in heaven

Did I feel

What I thought

It seemed so impossible

Am I in heaven or in hell
