Come on

This armchair is old and lonely  
Reminds me of my boring self  
It feels like I'm the only  
Lonely human left on this earth

If I could sit and watch you  
(Words)  
If I could stand and watch you  
(Mean)  
If I could stay and watch  
(Nothing)  
I'd watch for days

If I could sit and watch you  
(Words)  
If I could stand and watch you  
(Mean)  
If I could stay and watch  
(Nothing)  
I'd watch for days

Sitting in pure darkness  
Rethinking all my negative thoughts  
Feeling the pure sharpness  
From the blade of loneliness' sword

If I could sit and watch you  
(Words)  
If I could stand and watch you  
(Mean)  
If I could stay and watch  
(Nothing)  
I'd watch for days

If I could sit and watch you  
(Words)  
If I could stand and watch you  
(Mean)  
If I could stay and watch  
(Nothing)

I'd watch for days

I'm emulating [Incomprehensible]  
Incriminating myself the same time  
Walking in circles and chasing my tail  
Dreading the daylight and waiting to fail

If I could sit and watch you  
Stand and watch you  
Wait and watch you

If I could sit and watch you  
Stand and watch you  
Wait and watch you go

Watching you  
Watching you

If I could sit and watch you  
(Words)  
If I could stand and watch you  
(Mean)  
If I could stay and watch  
(Nothing)  
I'd watch for days

If I could sit and watch you  
(Words)  
If I could stand and watch you  
(Mean)  
If I could stay and watch  
(Nothing)  
I'd watch for days

If I could sit  
(Words mean)  
If I could sit  
(Nothing)  
If I could sit and watch away  
(Words mean nothing)
