[Slick Rick]

[JD]

YO! TURN IT UP! 2X

Y'ALL GOTTA TURN IT UP

DO LIKE I DO HA HA

[Slick Rick]

Ladies and gents, let the teacher start

I am the greatest rapper, walk, talk, eat, shit, fart

You motherfuckers can't see me

Even with a patch on my eye, I'm dreamy

All in the grill of the gruesome

1, 2, 3, 7 diamonds on the twosome

Schedule, I aim to be in Atlanta with the legendary  
Jermaine Dupri

[JD]

Uh huh, I'm more delicious than shit outta cook books

See I'll even make Salvation Army clothes look good  
(you know)

That divine, so fine, don't even wear the same  
underwear 2 times

[SR]

JD, not the one to fuck around with

Heard ya got the whole entire state locked down, kid

[JD]

That's right so don't ask us who the best

From the north to the south to the east to the west

We're...

[Chorus]

Fresh, dressed like a million bucks

Still worn the Bally shoes and the fly green socks

We're fresh, dressed like a million bucks

Still worn the Bally sodadadadada socks

[JD]

Come on, kids, Jermaine Dupri a wiz

Walkin' down the street, you kow mindin' my own biz

My man girlfriend started actin' like she hoein'

"Hey JD, where your fine ass going?"

To the studio, I told her frontin'

Unless you wanna take it in the cooler or sumpin'

[SR] For real and that shit ain't a fact?

[JD]

She said that she would meet me at my house around  
10

Not to mention, a nice tender body

10 o'clock, here came the red beau hotty

My man girl told totally deceptive

Still I try to fuck the full out the bitch rectum

See, the woman so shady

Talkin' bout actin' like she upped and offed JD

Now she wanna kiss and caress cause i left a couple of  
bite marks on the hun's

breasts I'm...

[Chorus 2x]

[SR]

When the doubt falls, my door they knock up on

Designers even ask me what they need to stock up on

Why the fuck did ya like to done pest us

When the tag team ya hearin' is untouchable, peasant?

Slick, Jermaine Dupri back as the fat trackers

We'll diarrhea up on your black ass

Babies jump out the carriage

Could even fix the Hillary and Clinton marriage

Charisma now felt

To the point where even I could make even lesbians  
melt

Models bookin' at me

Could even make her grandmother catch an orgasm  
lookin' at me (you know)

It's kinda outlandish, rastas even say

"What kind fine young man dis"

So don't put me to the test

From the north, from the south to the east to the west

We're...

[Chrous til end
