featuring Trina & Tamara Powell Trey Lorenz

[Female]

Um this Don Chi Chi person that you call yourself?

[JD]

Uh huh

[Female]

What is he all about?

Does that mean that you could be devoted to one
woman

And have others or does that mean you're not devoted
at all?

[JD]

Don Chi Chi basically is a glamorous

Fly assed playboy that's just you know.

He ain't no one woman type man.

[JD]

I can't wait

It's me again

Uh, what chu waitin' for?

Trina and Tammy, So So Def, c'mon

[Trina & Tammy]

1 - Why don't you and me

Take a trip and dip back to my crib

I wanna lay you down

I really wanna lay you down

Here we are alone in my car

And I can feel your temperature rising

You want me, I want you, too

And I can see it in your eyes that you're ready (Ready)

To hit the back seat of my Jeep right now

If the mood ain't right, my Jeep is tight

I got a better place to lay you down

Repeat 1

Repeat 1

I said, "Baby" (Baby)

Before we lay, everything's gotta be just right

Cuz tonight is the night I've been waiting for

You and me are about to take flight, yeah, yeah

I don't want no distractions

Once we get into our action

I wanna be alone (That's right)

Getting it on all night long

Repeat 1

Repeat 1

Oh, baby

(Baby come this way)

(No longer will I make you wait)

I can feel your passion rising

And you're not alone

(My heart)

My heart

(Is yearning for your love)

I can hardly wait to lay you down

Down

(Why don't you)

[JD]

What you waitin' for

Let the freak show begin

Let the freak show begin

Let the freak show begin

What you waitin' for

Let the freak show begin

Let the freak show begin

Let the freak show begin

(Why don't you)

What you waitin' for

Let the freak show begin

Let the freak show begin

Let the freak show begin

What you waitin' for

Let the freak show begin

Let the freak show begin

Let the freak show begin

You heard me?

[Trina & Tamara]

First destination

(Is my heart)

Second destination

(After the lights go out)

I kindly get you up and take you to my place

Town of ecstasy

I don't think it can wait

First destination

(Is my heart)

Second destination

(After the lights go out)

I'm gonna make you wish

That everyday you live

That you could spend your life with me (Yeah)

Repeat 1 until fade
