[Jermaine Dupri]

You know how fly I always look

I keep banging and I keep them off the hook

You know about my peeps and all the lady's I be with

The Blue and Blue Mercedes with the rims and kit

You know about my house and carroners in the fridge

And the ATL shorty this how a nigga live

Besides Cheapy, they call me Mr. Long

You can catch me in the streets in a all pink suit

Leaning to the side, swinging my hair

Trunk full ants, ain't no room for a spair

I got them big beast pumping with the ace and bag

And the white shelltoes with them mean: they match  
You know me before the CD: it ain't nothing but flossin'  
If you allergic I suggest you turn this muthafucka off  
'Cause i'm off the glissy, all i'm think about, talk about  
Is Big Missy, new pissy, two damn tricky

[Jermaine Dupri]  
Ho, So, glow

You know, about the G wag, how the pants at  
How lady's all over the country want this nigga so bad  
You know what I say be the truth not the agg  
Stretch cream belly with the partner back

You know it's just me and my niggaz and some lady's  
getting full

Crunk as hell drinking Belvedere and Red Bull

You know about the bouncin' and the booty shaking  
collar

Poppin' money, making city that I come from

You know about the playing hating

baby, mama drama, 'cause uhh

Us players we all got some

And it's I supafly seven days a week

The one that everybody want to,

when they warm that heat

'Cause i'm off the glissy, all i'm think about, talk about

If an old trick knows my name
