Who put the boxes in the corner?
I don't know
Who is a member of the box putting crew?

I need one hour to get to the room
Since we decided to change I'm doomed

Uncountable money
Every month to pay
Please give me a reason for this room to stay

Who put the boxes in the corner?
I don't know
Who is a member of the box putting crew?

Complain about this room! (4x)
