I'll be feed up like a Cheerios stack
Murder, murdered anybody on any track
Ben Johnson is smoking this double cane with the
captain!
I'm smoky eye, I'm smoky eye!

Catch me in your city and your hooker smelling potting
Smoke a .. 250, that keeps them still trippy
..now I'm in another hotel and another city
Chilling with the chillers getting fucked up and still
working

Chorus:

You get turned up at these shows, turned down in
studios
We're setting the traits, you know we don't follow laws
To keep it pimping like 70's clothes
And keep it pimping like 70's clothes

Keeping moving and migrating
Body speaking is vibrating
Got these ladies jumping off, and their office is
Causing effects when it's action is on the set
Making these memories ..with these mike checks
Making these memories into money
Spending these money and doing G shit
G is for groovie, you wanna say it, yet
Being .. might offend you yet
I'm steadily elevating, you're constantly in the hating
I'm positive demonstrating, you ain't a threat!
Some offend your assimilation
is what I do for these non-believers
Who're thinking of really to get a check
Making these memories into money,
spending this money and doing G shit
G is for groovie, you understand yet
And being a tailor, please your fans yet
I'm steadily elevating, you constantly in the hating
I'm positively demonstrating you ain't a threat
Some offend your assimilation,
is what I do for these non-believers

who thinkâ€¦ to get a check
Making these memories into money
Spending these money into G shit!
G is for groovy, you understand yet
And being tailor may please your fans yet

Chorus:

You get turned up at these shows, turned down in studios
We're setting the traits, you know we don't follow laws
To keep it pimping like 70â€™s clothes
And keep it pimping like 70â€™s clothes
I'll be feed up like a Cheerios stack
Murder, murdered anybody on any track
Ben Johnson is smoking this double cane with the captain!
I'm smoky eye, I'm smoky eye, I'm smoky eye!

And being turned up means that I gotta make money to spend mine
But I don't have a lot of money,
but I know that I will in due time, time

Cause talent makes money, money buys material
Half of these ladies eating the shit, I'm just like some serial
You've seen me in theâ€¦ be likeâ€¦
A minute ago you was in my stereo
But I had to go, so I said Cheerio
Into the next spot, so I could show you how my money flow
So I can show you how my money flow

Chorus:

You get turned up at these shows, turned down in studios
We're setting the traits, you know we don't follow laws
To keep it pimping like 70â€™s clothes
And keep it pimping like 70â€™s clothes
I'll be feed up like a Cheerios stack
Murder, murdered anybody on any track
Ben Johnson is smoking this double cane with the captain!
I'm smoky eye, I'm smoky eye, I'm smoky eye!

Catch me in your city and your hooker smelling potting
Smoke a .. 250, that keeps them still trippy
..now I'm in another hotel and another city
Chilling with the chillers getting fucked up and still working
