but I fuck with everybody 'cause yall is my peoples,
peoples, peoples, peoples peoples

2 x Hook:

Well let me set it up, set it up,
I call the bitch, I call the bitch
we blowing green, we blowing green,
I'm gin sipping, gin sipping,
ain't nobody tripping, nobody tripping,
nobody tripping, nobody tripping,
nobody tripping, nobody tripping,
ain't nobody tripping, nobody tripping.

I'm on my own shit, and I ain't worried bout it,
I got a lot of hoes, and these hoes worried about it
worried bout it,
I got this weed, I'm rolling up,
weed weed rolling through, rolling through,
rolling through through
I got a fed of keeping this bitches around me,
hang to with many niggas and the haters gonna find
me
so watch it dolo, the K K got me so slow
my bitches all know they rolls
I snap fingers and they grab close
they go everywhere that I'll go
and that my shows they..
and they just stay to recruit hoes,
I'm on my uncle..

Vegas too lie for the crudo, crudo, crudo, crudo
