I keep it player Iâ€™m blind till they say
As my rap style as life save us
The swag is all flavors
I back hoes like... yeah paper of plastic money
I take the pimping serious Iâ€™m smiling
But ainâ€™t shit funny nothing but moves major
... is positive guess me you lose player
Thatâ€™s how I live give a hundred percent
On Monday I make my rent
Tuesday I got f*ck some hoe
Rest of the week who know, yes a nigga ball who
Iâ€™m cross the... along you sucker niggas
In case you didnâ€™t know, and call me Tuki Carter you
sucka nigga
And I got it, hoes I got it
I ainâ€™t worried bout it
Bout this money cash counting cash
Iâ€™m looking the view to mountain add a green back
To talking these stacks nigga

Hook:

Iâ€™m making stacks out of green backs
I wanna know where the weed at
I keep my hustle on top of hustle
One make it money with no muscle, forget it
Iâ€™m making stacks out of green backs
I wanna know where the weed at
Iâ€™m making money on top of money Iâ€™m smiling
But ainâ€™t shit funny

Iâ€™m surprised that all the hatin
That with them niggas
You donâ€™t f*ck with his cars Iâ€™m thinking
Iâ€™m plastic again but no money
Yes you exit and you front in somebody elseâ€™s
satisfaction is not real
And I keep myself in two
I donâ€™t knew it before,
I keep my sayings while Iâ€™m cross it..
Shout out to tune baby, I never a... nigga
And guess you ask me something stupid like you a fool

nigga
Besides that Iâ€™m pretty chill
I wake up to getting money till I see dreaming of dollar
bills
Yea money manage gives me chills
It gives me the will what I want to
Say what Iâ€™m gonna do
Guess I flight to cali man
I swag when I want to, chillin with tailors nigga
You was a hater nigga
And that is no flavor nigga
I keep it real son

[Hook:]

I wanna know where the weed at
