Uhh, Carter wanna be nigga

I wake up in the morning on it, morning on it
and executed like some guilty niggas,
I see the player like some pimpin niggas,
I do my prayer when I'm helping niggas
I do exactly what you don't I'm exactly into what I'm into
not to knock you but I don't and I won't and I won't
into a man hustle, I'm on to my own struggle
and started with no muscle, get it yeah
I started with all heart, it end up his big art
your hustle is go card, get it, get it,
I'm a teen at the morning start
no 90 at the days and I'm a 100% win nigga

Hustle be, hustle on, get that money yeah I'm gone,
I do it big for my kids, so they do it I am gone
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, my hustle on, my hustle on, my
hustle on, hustle on.

I do what I want to, you can't do what I do if you want to.
swaggin, swaggin,
when you do what you want to, I won't do what you all
do is I want to.

I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, my hustle on, my hustle on, my
hustle on, hustle on.

I play by the rules, I tie my own shoes,
I hustle on lose I am a boss, I am a boss
but it ain't what you think
I'm sling it back in, I did what I did,
I pay the cause, I pay the cause
I'm not in the streets or into the beef
I'm looking for peace because it's lost yeah

why you're grabbing your peace and killing your peace
gotta see because we lost, we lost
I keep my hustle on hustle my into the struggle
get what I was taught, get what I was taught
I live what I earned I get what I earned
my karma is been been bout to,
my karma is been been bout to.

Hustle be, hustle on, get that money yeah I'm gone,
I do it big for my kids, so they do it I am gone

I do what I want to, you can't do what I do if you want to.
swaggin, swaggin,
when you do what you want to, I won't do what you all
do is I want to.
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, hustle on, hustle on, hustle on
I get my hustle on, my hustle on, my hustle on, my
hustle on, hustle on.
