Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft

Got niggas all in my shit, got hoes all on my dick  
Gotta separate the real from the fake  
Even though the real sometime comes in snakes  
So I sit down and I think, about how much money I  
make  
And I don't worry bout the fake, cause I deal with the  
real  
I don't give a fuck what y'all think  
And I don't give a fuck what y'all drink  
I'm on that gin and I'm that weed  
And I'm on your hoe and she on my head and she on  
her knees  
On that weed, that's tgod, that's all that weed, that's all  
that cash  
And that's all them hoes and they on our steep, nigga  
please  
I just don't rap fool, I do the tattoos  
I ain't tattered ross, I ain't tattered Gucci  
I ain't tattered Jeez, I ain't tattered meek  
I am that shit, I move around in this bitch  
And I'm here to making money, I ain't worried bout you  
dumbers  
I ain't stopping till I'm motherfucking rich  
Cash bitch, that money, cash bitch, that money  
Cash bitch, that money, cash bitch, that money  
Cash bitch, that money, cash bitch, that money  
Cash bitch, that motherfucking money

Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft

I stand my zone o hundred cold dome

Mixing up drugs nigga I be so gone  
Diamonds on my watch bitch, juicy be stoned  
Too many catch Juicy playing for the home  
Oversees â€”troopers and friends, Gucci g's on my  
motherfucking legs  
Copped up like a motherfucking pimp, high like Charlie,  
I motherfucking win  
I just caught up on a loaf, put me â€”on soft  
Texas tea be my cough, she ratchet, I never go wrong  
More hoes mean more head, when I'm out the country I  
switch bread  
Buy pounds and pounds bag, hoes when I lounge,  
racks large amount  
Hoe, I did it for the streets, I always got eat  
Take it if I want it, that's how it's gonna be, that's it  
For my niggas only 3 â€”through me  
And when we touch down, hit the mall on me  
I can supply the hood and got another od  
And so much cash that money be coming like slow  
lease  
Everything paid in full, juicy don't fuck with a lease  
I just bought a louie v and I did it for the freaks!

Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft  
Still ridin clean nigga, cheesing get my dick soft.
