[Hook]

Iâ€™m west coast cruising, east coast hustling
South side pimping, northside stunting
Get that money, get that money
Get that money, get that
Iâ€™m west coast cruising, east coast hustling
South side pimping, northside stunting
Get that money, get that money
Get that money, get that

Yeah, I stack a hater, climb a hater
Stack em high to the sky like elevators
Iâ€™m getting to this money I donâ€™t see a hater
Especially when I am counting paper
I hop up in my whip and whip up
But you canâ€™t do that cause them pockets fucked up
Hey, so I grind my paper, stack my paper
Like Iâ€™m grinding weed, I roll that up
And blow that paper
Yeah, old bitches catching vapors,
Cause Iâ€™m in a different state
With lil bitches that got more paper
Definetly got more flavors, they in the club popping
bottles
Like I was one that they model
Said Iâ€™m the pain with the frottle
Got these hoes bt the stockload
And pimpin I never let up
Pimping back when I get up
Get these bitches to getting money
Cause being broke is the fucking set up

Don't get your shit, you ain't gotta be looking at

I rolls on, just like my bitches yeah they stroll on
Just like my pockets dog, that's real no
Just like that hate my nigga is real strong
Come down son, I'm waiting for the ounce to come
So I'm grinding up and rolling that weed
I got these hoes coming to do special deeds
That's 2 for you and guaranteed 4 for me
Even that bitch there got a college degree
Well I do to and it don't matter to me
I'm getting money and I'm smoking this weed
My nigga, I just tattoo, hustle,
Do without no muscle
And that's how you live your life with no struggles
