You were daddy's girl, nice and sweet.  
Never in trouble mama's honey.  
Little child just couldn't see,  
the pressure from her so-called friends was simply too  
much.  
The monkey slowly climbs on her back.  
Offering his aid on her pain, needing lot of care.  
No one cared. No one cared.

The days when sun was shining  
are gone and I am dying on my arms.  
The days when sun was shining  
are gone and I am dying on my arms,  
on my arms tonight.

Fragile like a rose on the snow,  
eating all your strength and your money. Honey. Yeah!  
Living in the shade day and night,  
never letting sunshine in your eyes like before.  
Cannot shake the monkey off your back.  
Did I see a spark in your eye,  
was it just the last light of hope?  
That died... hope that died.

The days when sun was shining  
are gone and I am dying on my arms.  
The days when sun was shining  
are gone and I am dying on my arms.

I don't wanna hurt you.  
I don't wanna make you cry.  
I don't wanna shh your lips and tell you goodbye now.  
I don't wanna tell you what's gonna happen to you.  
You will know one night your life is going to end.

The days when sun was shining  
are gone and I am dying on my arms.  
The days when sun was shining  
are gone and I am dying on my arms,  
on my arms. Ooh.
