Time, it needs time to remake your love again  
I will be there, I will be there  
Love, only love can remake your love again  
I will be there, I will be there

Fight, baby why? To win back your love again  
I will be there, I will be there  
Love, only love can break down the walls someday  
I will be there, I will be there

If we'd go again all the way from the start  
I will try to change things that killed our love  
Your pride has built the wall so strong that I can't get  
through  
Is there really no chance to start once again?  
I'm loving you

Try, baby, try to trust in my love again  
I will be there, I will be there

Love, our love just shouldn't be thrown away  
I will be there, I will be there

If we'd go again all the way from the start  
I will try to change things that killed our love  
Your pride has built the wall so strong that I can't get  
through  
Is there really no chance to start once again?

If we'd go again all the way from the start  
I will try to change things that killed our love  
Yes I hurt your pride and I know what you been through  
You should give me a chance, this can't be the end

I'm still loving you  
I'm still loving you  
I'm still loving you

I'm still loving you  
I'm still loving you  
I'm still loving you
