I'm sorry I didn't mean to call you
But I couldn't fight it
I guess I was weak and couldn't even hide it
And so I surrendered just to hear your voice

I know how many times I said I'm gonna live without you
And maybe someone else is standing there beside you
But there is something baby, that you need to know
That deep inside me, I feel like I'm dying
I have to see you, it's all that I'm asking

Vida, give me back my fantasies
The courage that I need to live
The air that I breathe

Carino mio, my worlds become so empty
My day's are so cold and lonely
And each night I taste the purest of pain

I wish I could tell you I'm feeling better everyday
That it didn't hurt me when you walked away
But to tell you the truth I can't find my way
And deep inside me I feel like I'm dying
I have to see you, it's all that I'm asking
