I'm sorry I didn't mean to call  
But I couldn't fight it  
I guess, I was weak and couldn't even hide it  
And so I surrender just to hear your voice

I know, how many times I said I'm gonna to live with out  
you  
And maybe someone else is standing there beside you  
But there's something baby that you need to know  
That deep inside me I feel like I'm dying  
I have to see you it's all that I'm asking

Vida, give me back my fantasies  
The courage that I need to live  
The air that I breathe  
Carino mio, my world becomes so empty

My day's are so cold and lonely  
And each night I taste the purest of pain.  
I wish, I could tell you I'm feeling better every day  
That it didn't hurt me when you walked away

But to tell you the truth I can't find my way  
And deep inside me I feel like I'm dying  
I have to see you it's all that I'm asking

Vida, give me back my fantasies  
The courage that I need to live  
The air that I breathe  
Carino mio, my world becomes so empty
