I know I was out of line
You were way out of your mind
Wrapped up in my reveries
Causing all this misery

Hear me out
If ever there's a chance in heaven
(Or in hell)
To slowly forget the past and the bandage

Be careful, you fool, there are certain rules
Even for a fellow like you
But don't be alarmed, no one gets harmed
I will never go, babe, hell no

Maybe I was in the dark
But why'd you have to steal my heart?
Well, I didn't plan to go berserk
Baby, you were such a jerk

Well, just hear me out
I can't believe the things I said
(I know)
I obviously was removed from my senses

Be careful, you fool, there are certain rules
Even for a fellow like you
But don't be alarmed, no one gets harmed
I will never go, babe, hell no

Now hear me out
If ever you deceive me
(If ever, ever)
We're through
You worry too much, I won't make you sorry

Be careful, you fool, there are certain rules
Even for a fellow like you
But don't be alarmed, no one gets harmed
I will never go, babe, hell no

Be careful, you fool

(Don't be alarmed)
There are certain rules
('Cause I know that)
I will never go, babe, hell no
