Like the beat, beat, beat of the Tum-tum
When the jungle shadows fall
Like the tick, tick, tock of the stately clock
As it stands against the wall

Like the drip, drip, drop of the rain drops
When the summer shower is through
So a voice within me keeps repeating
You, you, you

Night and day, you are the one
Only you beneath the moon, and under the sun
Whether near to me or far, it's no matter darling,
where you are
I think of you night and day

Day and night, why is it so?
That this longing for you follows wherever I go?
And the roaring traffic's boom in the silence of my
lonely room
I think of you night and day

Day and night, and under the hide of me
There's an, oh, such a hungry yearning burning inside
of me
And its torment won't be through
Till you let me spend my life making love to you
Day and night, night and day

Night and day, under the hide of me
There's an, oh, such a hungry yearning burning inside
of me
And its torment won't be through
Till you let me spend my life making love to you, day
and night

Night and day
Night and day
