Who wants to know about these tortured souls?  
Side two was about the tortured young and old  
Side two will show you how it's meant to be  
You'll see a blizzard and you'll leave  
Side two will show you how it's meant to be

We're dying now, he helps us out  
It is so sad to see what will become of me  
But I know, oh I know

Who wants to live the lives of those  
Who lived through execution, collecting votes?  
You'll see a blizzard and you'll leave  
Side two will show you things aren't what they seem

We're dying now, he helps you out  
It is so sad to see what will become of me  
But I know, oh I know

Who wants to know the names of those  
Who placed their voices in a killing force?  
Side two was about the tortured young and old
