Come closer and see  
See into the trees  
Find the girl  
If you can  
Come closer and see  
See into the dark  
Just follow your eyes  
Just follow your eyes  
I hear her voice  
Calling my name  
The sound is deep  
In the dark  
I hear her voice  
And start to run  
Into the trees  
Into the trees

Into the trees

Suddenly i stop  
But i know it's too late  
I'm lost in a forest  
All alone  
The girl was never there  
It's always the same  
I'm running towards nothing  
Again and again and again and again

She said "could you take me home tonight?  
It's the only way i know."  
She said "could you take me home tonight?  
There's no other way i know."  
She said "you know the way you used to do."  
"of course i'll take you home."  
"you know the way you used to do."  
"of course i'll take you home."  
This kiss could cost my life.  
Is all you see in her eyes.  
This kiss could cost my life.  
Is all you see in her eyes.  
It's all you see in her eyes.

She said "take my hand, take me home."  
She said "take my hand, take me home. Take me  
home. Take me home.
