I can't believe it, I must be dreaming  
She turns the sound down  
Says, "I am heaving  
This is a freakshow"

And I am screaming  
She spins the world round  
I want to stop

Bittersweet again  
Her opening move  
Down and out in black  
Soft shiny and smooth

Looks like the alien  
Crowd got groove  
She burns her name into my arm  
But I can never get through

To play the game  
She's trying to lose  
Her ultraviolet makes it  
Harder to choose

Looks like the edge  
Of the earth got moved  
She blurs a way across the floor  
I spin to swallow the view

And it's the same sway  
Yeah, it's the same slide  
It's the same stare, oh

It's the same smile  
Yeah, it's the same but  
It's not quite right

Oh, it's insane  
She shakes like a freak  
Stuck in the middle  
Of the room for a week

Looks like the only way  
To get on the beat  
Is take her up on how to swing  
But I am missing my feet

And it's the same sway  
Yeah, it's the same slide  
It's the same stare, oh

It's the same smile  
Yeah, it's the same but  
It's not quite right

I'm in a step, out  
She two more steps down  
For three steps up, clap  
And go around, ow

It makes my head buzz  
She wants to come now  
I try to stop

Always infra dig her  
Finishing move  
Up and down in black  
Soft shiny and smooth

Looks like the alien  
Crowd got groove  
She cuts a number out my arm  
But I can never get through

To play this game  
She's trying to lose  
The stuff from Mars  
Makes it harder to choose

Looks like the final frontier got moved  
She blurs a way across the floor  
I spin to swallow the view

And it's the same sway  
Yeah, it's the same slide  
It's the same strip, oh

It's the same smile  
Yeah, it's the same  
But it's not quite right

I can't believe it, I must be dreaming

She turns the lights up  
Says she is leaving  
This is a freakshow

And I am beaten  
She spins the world round
