I don't know what's going on
I am so up close to you
I don't know what's going on
I don't know what's going on
I am so confused by you
I don't know what's going on

Don't say anymore
To me at all
To me at all...
Don't say more
To me at all
To me at all...

I am so in love with you...
With you...with you
I am so in love with you...
With you...with you

I don't know what's going on
I am so in deep with you
I don't know what's going on
I don't know what's going on
I am so disturbed by you
I don't know what's going on

Don't say anymore
To me at all
To me at all
Don't say more
To me at all
To me at all

I am so in love with...
You!
