Touch me cold  
And inviting  
Hope saves, if you'd rather go  
To my hand or  
And watch the unknown suicide

Oh, another trip to heaven  
Tear it in the velvet lining  
Limbs in the shape of temptation  
Sex and parlor eyes  
See the sound of blood and sweat  
This is oh, my time  
Just bless me father  
And change into a ??  
Change into a

Come to my house  
It's a lifelong statues  
And sleep to  
What is always taking to  
My ??  
Sleep into temptation

I always sliding into your way  
Time to bless me father  
Try and out to  
Change into  
I change into a man

As life is for talking  
Found a way underneath  
The actor of me swims  
He holds me down  
Holds me down  
Pictures of him  
Turn him into

Birds outside are going  
Into her hair  
Into her face  
Makes me space
