

Cure, The "The End Of The World"

Visit "[The End Of The World](#)" on MotoLyrics.com

Go if you want to
I never tried to stop you
Know there's a reason
For all of this you're feeling
Low, it's not my call
You couldn't ever love me more
You couldn't love me more
You couldn't love...

Me, I don't show much
It's not that hard to hide you
See in a moment
I can't remember how to
Be all you wanted
I couldn't ever love you more
I couldn't love you more
I couldn't love...

You want me to cry and play my part
I want you to sigh and fall apart
We want this like everyone else

Stay if you want to
I always wait to hear you say
There's a last kiss
For all the times you run this way
It's not my fault
You couldn't ever love me more
You couldn't love me more
You couldn't love...

Love me more
Couldn't ever love me more
I couldn't love you more
I couldn't love

You want me to lie not break your heart
I want you to fly not stop and start
We want us like everything else

Maybe we didn't understand

Not just a boy and a girl
It's just the end of the
End of the world

Me, I don't say much
It's far too hard to make you
See in a moment
I still forget just how to
Be all you wanted
I couldn't ever love you more
I couldn't love you more
I couldn't love you more
I couldn't love you more
I couldn't love you more
