

## Cure, The "The Walk"

I called you after midnight  
Then ran until I burst  
I passed the howling woman  
And stood outside your door

We walked around a lake  
And woke up in the rain  
And everyone turned over  
Troubled in their dreams again

Visiting time is over  
And so we walk away  
And both play dead then cry out loud  
Why we always cry this way?

I kissed you in the water  
And made your dry lips sing  
I saw you look  
Like a Japanese baby  
In an instant I remembered everything...

I called you after midnight  
Then ran until my heart burst  
I passed the howling woman  
And stood outside your door

I kissed you in the water  
And made your dry lips sing  
I saw you look  
Like a Japanese baby  
In an instant I remembered everything...
