Hopelessly drift
In the eyes of the ghost again
Down on my knees
And my hands in the air again
Pushing my face in the memory of you again

But I never know if it's real
Never know how I wanted to feel
Never quite said what I wanted to say to you
Never quite managed the words to explain to you
Never quite knew how to make them believable

And now the time has gone
Another time undone
Hopelessly fighting the devil
Futility
Feeling the monster
Climb deeper inside of me
Feeling him gnawing my heart away
Hungrily
I'll never lose this pain
Never dream of you again
