Hell, you can't tell by the way I talk
I'm a man's woman, no right to stalk
Refusing loudly to believe a man is no harm
I've been kicked out since man'fers his porn
But hows he at night, bet hes not ok
They all looking away
He never tries to understand
Those Words I typed in New York Time, Oh man

Weather is cloudy, whether its his father or whether its
his mother
They say Skin n a knife Skin n knife skin n a knife
Feels of like fears of dyin and everybody shakin'
Its Skin n a knife, Skin n a knife, Skin n a knife
Ah, ah, ah, ah, Skin and a knife, skin and a knife
Ah, ah, ah, ah, Skin and a knife
Oh, when I talk

Hell, how did i get pwned and get in fright
And if I can't get o'er either, Its really fried
My wings of heaven into pools of dust
I was romancin' a man, and I just lose
Its snow, i'm all right, but its not ok
I'll learn to see it his way
He won't try to understand
The words i typed in New York Times, oh man

Weather is cloudy, whether its his father or whether its
his mother
They say Skin n a knife Skin n knife skin n a knife
Feelings of fears of dyin and everybody shakin'
Its Skin n a knife, Skin n a knife, Skin n a knife
Ah, ah, ah, ah, Skin and a knife, skin and a knife
Ah, ah, ah, ah, Skin and a knife
Oh

A knife goin'somewhere, everybody help me!
One buddy help me, yeah
A knife goin'somewhere, everybody help me, yeah
I don't got Skin n a knife

Hell, you can't tell by the way I talk
I'm a man's woman, no right to stalk
Refusing loudly to believe a man is no harm
I've been kicked out since man'fers his porn
