Vader: I got kills, they're multiplyin'

And to rule is my goal

When I'm Emp'ror, we'll be smilin'

It's electrifyin!

Luke: You better shape up

'Cause my Dad's in there.

Yes, I feel the good in you

You better shape up

You cut off my hand,

but my heart is just as true.

Vader: Join me, son!

Luke: Dad, I came back here for you!

You're the one that I want

hoo hoo hoo, sonny!

The one that I want

hoo hoo hoo, sonny!

The one that I want

hoo hoo hoo, the one I need

Oh yes indeed!

Vader: I see you've made a new weapon

And I'm so proud of you  
but the Dark Side holds my affection...  
Walk this way...  
Luke: You better shape up  
You were Anakin  
You can still be sanctified!  
Vader: You better shape up  
You learned much from Ben  
but you don't know the Dark Side!  
It's too late!  
Luke: Then my father's truly died!  
You're the one that I want  
hoo hoo hoo, sonny!  
The one that I want  
hoo hoo hoo, sonny!  
The one that I want  
hoo hoo hoo, the one I need  
Oh yes indeed!
