=====
The Turtles - Grim Reaper Of Love (Portz/Nichol)
=====

(chanting)

Movin' on slowly, sittin' forlornly
Looks through her window, clouds hide the sun
She thinks of her love, gone like the wild ones
She knows he'll never return

CHORUS:

Grim reaper of love, grim reaper of love
Grim reaper of love, grim reaper of love
Killing the living & living to kill
Grim reaper of love thrives on pain; people, beware

(instrumental)

Missed her sadness of the loss of his loaning
But in his past thinking, love can't last
We were so happy, peaceful & dear
But now his life's a little miser

Grim reaper of love, grim reaper of love
Grim reaper of love, grim reaper of love
Killing the living & living to kill
Grim reaper of love thrives on pain; people, beware
