All this stuff is making me old.
It's dangerous to live, I am told.
This planet looks so cute but it's cold.

I need someone whos good,
someone who's true.
Someone who's nice,
I need someone like you.
Hallelujah, my newfound lover.

I couldn't go back,
and I couldn't go on.
Couldn't keep track,
and I needed someone.
Hallelujah, my newfound lover.
Love of my life.

The moment you came in to the room,
all my flowers burst into bloom.
We will meet again but how soon?

I need someone who's good,
someone who's true.
Someone who's nice,
I need someone like you.
Hallelujah, my newfound lover.

I couldn't feel love,
and I couldn't think straight.
Couldn't feel trust,
and I couldn't trust fate.
Hallelujah, my newfound lover.

I couldn't go back,
and I couldn't go on.
Couldn't keep track,
and I needed someone.
Hallelujah, my newfound lover.

I couldn't feel love,
and I couldn't think straight.

I couldn't feel trust,
and I couldn't trust fate.
Hallelujah, my newfound lover.
Love of my life.
