Ready for the night to sweep me all away
Ready for the streets to lead my feet astray
To my surprise everything is cool
When I'm not breathing

I hold my breath, I feel alive
Not breathing
And all my pain is put aside
Not breathing

Ready for the breeze to blow right through my mind
Ready for the change to leave it all behind
To my surprise everything is fine
When I'm not breathing

I hold my breath, I feel alive
Not breathing
And all my pain is put aside
Not breathing
I'm not breathing

Ready for the sun to crash above my head
Ready for the moon to strike this body dead
To my surprise everything is still
When I'm not breathing

I hold my breath, I feel alive
Not breathing
And all my pain is put aside
Not breathing

I'm not breathing
I'm not breathing
I'm not breathing
