There ain't no other way
This feeling's tearing me apart
I'm going down the only way
With this promise of a brand new start
No nothing is gonna stop us now, no

I wanna fly away with you tonight
I wanna dance beneath the moonlit sky
Take my hand come join the caravan

So let the moonlight flow and the music play
Let this feeling lead the way
To heartland, come join the caravan

The stars are shining in your eyes
There's a fire burning in your soul
The way you make me lose my mind
I let the map and compass go, there ain't no other way,
hey

I wanna fly away with you tonight
I wanna dance beneath the moonlit sky
Take my hand come join the caravan

So let the moonlight flow and the music play
Let this feeling lead the way
To heartland come join the caravan

Nobody knows, but you and me
Nobody sees the things we see
Nobody plays the way we do
The secret games that gets us through the summer
nights

Uhhh (come join the caravan)
Uhhh

I wanna fly away with you tonight
I wanna dance beneath the moonlit sky
Take my hand come join the caravan

So let the moonlight flow and the music play

Let me take you all the way
To heartland come join the caravan

Uhh, uhh, uhh
(Fly away with you tonight
Dance beneath the moonlit sky
Moonlight flow, music play
Feeling safe, all the way)

So let the moonlight flow and the music play
Let me take you all the way
To heartland come join the caravan
