Hello my one and wicked friend

This stranger affair will never end

When you come to me I feel like dancing

Yeah I wanna taste it all

Until the end of everything

I won't let you go

My cosmic one...

My cosmic oneÂ...

Hello my one and wicked love

When you go down I rise above

When you come to me I feel like slipping

Oh I wanna bring you down

Until that day I've confidence

I will be around

My cosmic one...My cosmic oneÂ...

Hello again my wicked one

You stole the moon, I stole the sun

My cosmic one...
