(Go  
Go, Go, Go, Go, for the soul  
Go  
Go, Go, Go, Go, for the soul)

It's takes a fool to keep this fire burning  
It's takes a fool to love this much (Go!)  
It's takes a fool to keep up with this journey  
So god bless fools like us

I believe  
We got nothing to lose on this fight  
(Keep moving  
Babe you gotta keep moving)  
And I feel  
I grow stronger with you by my side

(Go, Go, Go,) Go for the soul  
And get into the motion  
Get on your feet and dance with me  
We got the music, fire and devotion  
Go, Go, Go, Go, for the soul  
Go, Go, Go, Go, for the soul

It's takes a dream to stay above the surface  
It's takes a dream to live and breathe (Go!)  
And when I dream, I dream about your face  
You're the one, that makes me breathe

I believe  
We got all that it takes to come true  
(Keep moving  
Babe you gotta keep moving)  
And I feel  
I grow stronger each day I'm with you

(Go, Go, Go,) Go for the soul  
And get into the motion  
Get on your feet and dance with me  
We got the music, fire and devotion  
Go, Go, Go, Go, for the soul

Go, Go, Go, Go, for the soul, go for the soul

In your heart  
In your mind  
In your eyes

Let me drown  
Let me stay  
In your eyes

Go for the soul  
And get into the motion  
Get on your feet and dance with me  
We got the music, fire and devotion  
Go, Go, Go, Go, for the soul  
Go, Go, Go, Go, for the soul  
Go. Go, Go, Go, for the soul
