Should you fall down and be gone
I'd be broken, turned to stone
I'd be broken I'd be left without a clue
Oh, everything that's true
So let me sing to you like it is

Life is what you give to me
Life is how you set me free
Life is
Life is what you mean to me
Life is how you set me free
Life is

Should you leave me, fade away
I'd be broken and my days
Would be numbered
My life an empty shell
A void no one could fill
That's why I want to tell like it is

Life is what you give to me
Life is how you set me free
Life is
Everything that's real to me
Life is how you set me free
Life is

Ooh, ooh
Life is, life is
Ooh, ooh
Life is, life is you

I need your life in my life
I need your taste in my days
I need your dreams in my nights

I need you

(Need your life in my life)
(Need your dreams in my day)
(Need your dreams in my night)

Ooh, ooh
Life is, life is
Ooh, ooh
Life is, life is

Life is what you give to me
Life is how you set me free
Life is

Life is what you mean to me
Life is how you set me free
Life is

(Life is what you give to me)

Ooh, ooh
Life is, life is

(Life is how you set me free)

Ooh, ooh
Life is, life is
