Nobody told me, life would be easy
But then, nobody warned me about someone like you
That I would surrender, that I would give myself away
So completely, then fall so blue

Nobody told me that this love would bring me down
Nobody said boy, once it's lost, it just can't be found
Nobody warned me that this night would be so cruel
Nobody told me boy, you're such a fool

You're such a fool, all because of you
You're such a fool, all because of you

Nobody told me your love would be holy and divine
Heavenly magic and blood red lips
With the flavour of honey, the scent of jasmine after
rain
That so much beauty would come to this

Nobody told me that this guy was so easy to crack
Nobody said boy, once you're gone there's no turning
back
Nobody warned me that you've gone and changed the
rules
Nobody told me boy, you're such a fool

You are such a fool

Nobody told me that a heart was so easy to break
Nobody said boy, all it takes is just one mistake
Nobody warned me that a heat could turn so cool
Nobody said boy, boy, you're such a fool

Such a fool

You're such a fool
You're such a fool
You're such a fool

You're such a fool, all because of you
You're such a fool, all because of you

Nobody told me life would be easy
But then nobody warned me about losing you
