Purple morning indicates
The sun is breakin'thru
You're sleeping, I'm watching
Watching all your moves

Purple morning clarifies
The rain has gone away
Tomorrow
Tomorrow is today-today

And everything is beautiful
Today

Purple morning
Twenty precious minutes
Of this time
Leaves are fallin' soon
Seasons turn around

Early morning
We can stay awake or go to sleep
This is our world
This is where we are today-today

And everything is beautiful
Everything today-today
Everything so colorful, today

And the dream shines on
As the sun keeps comin'our way
This way

Purple morning indicates the sun
Is breakin'thru
You're sleepin'
I'm watching
Watching all your moves
