I've never seen you shine so bright
Little black magic baby dressed in white
I never thought I would ever taste your fire

And when the sun bleeds in to the sea
Yeah, when the moon steals the scenery
You flood this room with mad desire

Now show me love
Show me all your love tonight
Show me love
Show me beautiful love, love for life

I never seen you so in place
Little miss shameless with perfect grace
I never thought I would ever lose on my own ground

But hey honey I'm so aware
Of what you're doing now I just don't care
Just let me rise before I crash down

And show me love
Show me all your love tonight
Show me love
Show me beautiful love, love for life

Now baby tonight we will not surrender
No we will not surrender
No we will not give up this fight
'Cause baby tonight it's the final call for lovers
The time to lose all the covers
The time to dream this dream alive
Dream alive
Dream alive

Show me love
Show me all your love tonight
Show me love
Show me beautiful love, love for life

Show me all your love tonight

Show me love
Show me beautiful love, love for life

Love for life
