What a pretty thing to say?
What a pretty thought to think?
When the nights is closin' in
We star together

And it's a never-ending show
It's the everlasting dream
When you feel it's time to go
We go together

We are the pretty ones
We are the pretty ones
And we, we really don't give a damn
No, we really don't give a damn
We are the pretty ones

What a perfect crime we are?
What a perfect life we lead?
When the lights are turnin' low
We are forever

In this everlasting show
In this never ending scheme
When you feel it's time to leave
We leave together

We are the pretty ones
We are the pretty ones
And we, we really don't give a damn
No, we really don't give a damn
We are the pretty ones

Maybe we're fallin' apart
Maybe our love is not enough

We are the pretty ones
We are the pretty ones
And we, we really don't give a damn
No, we really don't give a damn

We are the pretty ones
We are the pretty ones

And we, we really don't give a damn
No, we really don't give a damn
We are the pretty ones

We really don't give a damn
We are the pretty ones
