There's a sea made of tiles  
What good could it be?  
The reflection  
So clear and sweet  
Is of an other world  
One I wish to sink into.  
Perhaps it's all my dreams come true...

And you are there  
Holding my hand  
Picking wildflow'rs in the wide open feild  
All I have to do to get there  
Is sink through the floor  
Pass throught the doors  
Into that world.

This world I'm living in  
Has so much trouble...  
The sea of tiles  
Is a glimpse of my hope  
My hope in the future  
Where all my dreams are coming true!

And you are there  
Holding my hand  
Picking the roses in the beautiful gardens  
And all I have to do to get there  
Is sink through the floor  
Pass through the doors  
Into that world  
HOW MANY HEARTS MUST break in me  
Before I sink throu the floor  
Pass through doors  
Because you are there  
Waiting for my hand  
To pick a rose from the wide open feild  
To take my hand  
If I can just:

Sink though the floor  
Walk through the doors

SINK THROUGH THE FLOOR  
PASS THROUGH THIS WORLD  
Into your arms

Ooh oh ooh oh  
I know your waiting  
Oh oh oh  
For me...
