Bad news is everywhere; people burdened down with  
cares.

What can we do to help this situation.

Aren't you tired of feeling low; you're blessed, don't  
you know.

It's time for a gospel celebration.

Lift up your voice in praise, God's wonderful name to  
raise.

Come on along to a higher destination.

We want to have some "church" tonight. Everything's  
going to be alright.

It's time for a gospel celebration.

Chorus

Ce-le-brate, Ce-le-brate, Ce-le-brate, Je-sus' ne-ew  
cre-a-tion.

Celebrate Jesus' love/it's all around and up  
above/Come be a part of

Ce-le-brate, Ce-le-brate, Ce-le-brate, [gos-pel  
ce-le-bra-tion (2X)

Come on and help us spread the word/clap your hands  
and praise the Lord/

It's time for the gospel celebration.
