My prayer for you, my sisters and brothers,
As we go along the way,
Is that God will teach us love for each other
While we yet have today.

So may God bless you, love, and keep you
From all hurt, harm, or pain.
And as we grow in the Lord,
May the grace of God be with you.

May the grace of God be with you, Ooh, ooh,
May the peace of the Lord be with you all of your days
May the love that God shared with us, spread
throughout the land.
May the grace of God be with you.
