Dance with the boogie, get down
Dance with the boogie, get down
'cause boogie nights are always

Boogie nights
Boogie nights

Boogie nights
There ain't no doubt, we are here to party
Boogie nights
Come on now, got to get started

Dance with the boogie, get down
Dance with the boogie, get down
'cause boogie nights are always the best in town
Got to keep on dancing, keep on dancing
Got to keep on dancing, keep on dancing

Boogie nights
Get that groove, let it take you higher
Boogie nights
Make it move, set this place on fire

Dance with the boogie, get down
Dance with the boogie, get down
'cause boogie nights are always the best in town
Got to keep on dancing, come on baby, keep on
dancing
You've got to boogie, got to keep on dancing, keep on
dancing

Party nights
Can you show that you know how to do it
Boogie nights, do it, do it
Party nights
Getting down with the sound of the music
Boogie nights

Boogie nights

It's alright when you've got the feeling
Boogie nights
Hold in tight, got to keep on dealing

Dance with the boogie, get down
Dance with the boogie, get down
'cause boogie nights are always the best in town
Got to keep on dancing, come on baby, keep on
dancing
Got to keep on dancing, you've got to boogie, keep on
dancing

Dance with the boogie, get down
Dance with the boogie, get down
'cause boogie nights are always
Boogie nights
Got to keep on dancing, keep on dancing
Boogie nights
Got to keep on dancing, keep on dancing

You've got to, boogie nights
If you wanna boogie, got to keep on dancing
If, if , if you wanna boogie, keep on dancing
If you wanna boogie, boogie nights
Got to keep on dancing, keep on dancing
You've got to boogie

Come on baby, come on baby, come on baby
Come on boogie, boogie nights, come on boogie,
boogie nights
If you wanna boogie, boogie nights,
Yeah, boogie nights

Got to keep on dancing, boogie nights
Keep on, keep on, keep on, boogie nights
Got to keep on dancing, boogie nights
Keep on, keep on, keep on, boogie nights
You've got to boogie

Boogie nights, got to keep on dancing
We are here to party
Boogie nights, got to keep on dancing
Got to get started

Get that groove, let it take you higher
Make it move, set this place on fire
There ain't no doubt, we are here to party
Come on now, got to get started
