Like a fool I was blind  
Couldn't see, didn't read all the signs  
Who's to say things could be  
Different now if I'd opened my eyes

All alone, friends were saying  
Love's a game that he was playing  
I believed, but they could see  
One day he'd make a fool of me

(Chorus)  
Everybody knows  
How you made me cry  
How you broke my heart  
When you said goodbye  
Where am I to go  
Can't let my feelings show  
Now everybody knows

Yesterday I was fine  
I had nothing but love on my mind  
I can't live for today  
Now he's taken tomorrow away

All the time they could see it coming  
Told me not to stay, said I should be running  
I believed, but they could see  
One day he'd make a fool of me

Repeat Chorus (2x)

I was blind...  
I was blind...

All alone, friends were saying  
Love's a game that he was playing  
I believed, but they could see  
One day he'd make a fool of me

Everybody knows  
How you made me cry  
How you broke my heart

When you said goodbye  
Where am I to go  
Can't let my feelings show  
Now everybody knows

Repeat chorus to fade
