(Gore / Pitchford)

Baby, look at me
and tell me what you see
cause you aint seen the best of me yet
Give me time, Ill make you forget the rest
Cause Ive got more in me
and you can set it free
Yes, I can catch the moon in my hand
Dont you know who I am
Remember my name

Fame, cause Im gonna live forever
Im gonna learn how to fly high
I feel it coming together, yeah
People will see me and cry
Fame, Im gonna make it to heaven
and light up the sky like a flame
Fame, Im gonna live forever
Baby, remember my name
Remember, remember, remember, remember
Remember, remember, remember, remember

Baby, hold me tight
cause you can make it right
Yes, you can shoot me straight to the top
Give me love and take all Ive got to give, yeah
Baby, Ill be tough
cause too much is not enough, no
Ill grab your heart til it breaks
Oh, Ive got what it takes

Fame, cause Im gonna live forever
and Im gonna learn how to fly high
I feel it coming together
People will see me and cry
Fame, Im gonna make it to heaven
and light up the sky like a flame
Fame, Im gonna live forever
Baby, remember my name
Remember, remember, remember, remember
Remember, remember, remember, remember

Fame, cause Im gonna live forever
and Im gonna learn how to fly high
I feel it coming together, yeah
People will see me and cry
Fame, Im gonna make it to heaven
and light up the sky like a flame
Fame, Im gonna live forever
Baby, remember my name
Remember, remember, remember, remember
Remember, remember, remember, remember
I said remember my name

Fame, cause Im gonna live forever, fame
Im gonna learn how to fly high
I feel it coming together, yeah, fame
People will see me and cry, fame
Fame, Im gonna make it to heaven, fame
Light up the sky like a flame
Fame, Im gonna live forever, fame
Baby, remember my name
Remember, remember, remember, remember
