Fool For Love... by Sonia...

Written and composed By Tony Power

I should have seen the writing on the wall
I should have known this one way love would crumble
and fall
But I was crazy to believe you
I didn't care where roads would lead to
I wanted you so much
I went and broke every rule

I was just a fool for love
I was such a fool for love
Now the times have changed
Oh my eyes are open wide
I won't be a fool for love
I have my dignity and pride
I was such a fool for love
To give it all to you.

If there should be a second chance for me
I won't jump in the deep end
Thinking love's meant to be.
No I won't end up broken-hearted
And go right back to where I started
Cause I have learnt from my mistakes
So I'll play it cool.
I was just a fool for love
I was such a fool for love
Now the times have changed
Oh my eyes are open wide
I won't be a fool for love
I have my dignity and pride
I was such a fool for love
To give it all to you

Fool for love
No fool for love
I won't be a fool for love
I was such a fool for love
But now the times have changed

My eyes are open wide
I won't be a fool for love
I'll never fall again that way
I won't be a fool for love
I won't be fooled again
I won't be a fool for love
I'll never fall that way again
I won't be a fool for love
I won't be fooled again.
Fool for love
