(Andrew Lloyd Webber / Tim Rice)

I, I dont know how to love him  
what to do, how he moves me  
Ive been changed, yes, really changed  
in these past few days, when I see myself  
I seem like someone else

And I, I dont know how to take this  
and I dont see why he moves me  
cause hes a man, hes just a man  
and Ive had so very many men before  
in so very many ways, hes just one more

Should I bring him down  
Should I scream and shout  
Should I speak of love  
let my feelings out  
I never thought Id come to this  
Oh, whats it all about

And now dont you think its rather funny  
that I should be in this position  
cause Im the one whos always been  
so calm, so cool, no lovers fool  
running every show, he scares me so

I never thought Id come to this  
Oh, whats it all about

And yet, if he said he loved me  
Id be scared, Id be frightened  
I couldnt cope, I just couldnt cope  
Id turn my head and Id back away  
and I wouldnt, I wouldnt want to know

He scares me so  
I want him so  
and I love him so
