(Gamble-Huff)

I love music, any kind of music  
I love music, just as long as it's groovin'  
Makes me laugh, makes me smile  
all the while, whenever I'm with you  
While we dance, make romance  
I'm enchanted by the things you do

Ooh

I love music, sweet sweet music  
As long as it's swinging  
All the joy that's it's bringing.  
I'm so happy to be  
in complete harmony, I love you  
As I hold you so close in my arms  
I'm so glad that you're mine, all mine

(Nothing can be better than a sweet love song)  
So sweet, so sweet, so mellow, mellow  
(When you got the one that you love in your arms)  
Ooh, how I love you, yes I love you

Music is the healing voice of the world  
It's understood by every man, woman, boy and girl  
and that's why I say

(Music makes the atmosphere so fine)  
The lights down low, me and you, baby you know  
(Especially when you got a cold glass of wine)  
Mellow, Mellow, that's why I say

I love music, any kind of music  
(I love, I love, I love, I love, I love music)  
Sweet sweet music  
(I love, I love, I love, I love, I love music)
